DR Family Mission Trip March 26–April 1, 2022 Cost: \$1,725

Join us for an incredible spring break mission trip serving alongside SCORE International in the DR. This trip is an opportunity for families or parent and child to experience missions together. We will partner with SCORE's boys' and girls' homes, ministering to the young people there through word and deed. Each family will have an opportunity to share the gospel while distributing water filters and solar lights to impoverished families. This trip provides a wonderful way for parents and children to experience caring for others as well as to introduce younger children to missions at an early age. In addition, your trip leaders will guide the team through biblical life applications, positioning each volunteer to gain new perspectives and experience life changing biblical truth.
