Join us for an incredible Spring Break mission opportunity! Far from the distractions of everyday life, you will be able to take part in the immensely rewarding work of sharing the love of Christ with those in need. Serving alongside the local church, you will have the opportunity to minister in several different ways. Our team will play baseball games with other kids in the community, using these games as a way of outreach. We will also deliver water filtration systems and distribute food to impoverished families. This is a great opportunity for parents and children to experience caring for others as well as to introduce younger children to missions at an early age. In addition, your Trip Leader will guide the team through a series of biblical life applications, positioning each volunteer to gain new perspectives and experience life changing biblical truth.

Reel Life International  
exists to cultivate a passion  
**for the Gospel**  
by working with the church  
**to share the love of Christ**  
with those in need  
around the world.
