Far from the distractions of everyday life, you will be able to take part in the immensely rewarding work of assisting the special needs community and impoverished families in Ecuador. We will focus on providing physical therapy to the community around Nane-galito. Serving alongside our field partner, International Ministry of Jesus, we will engage with the citizens of this community to bring hope that only comes from the love of Christ. In addition, your trip leader will guide your team through a series of biblical life applications, positioning each team member to gain new perspectives and experience life changing biblical truth. Please Contact Us or your Trip Leader or Trip Coordinator with any general questions.
