Birmingham Men's Trip
9 - 13 September 2015

"Whatever you did for one of the least of these brothers of Mine, you did for me." Matthew 25:40

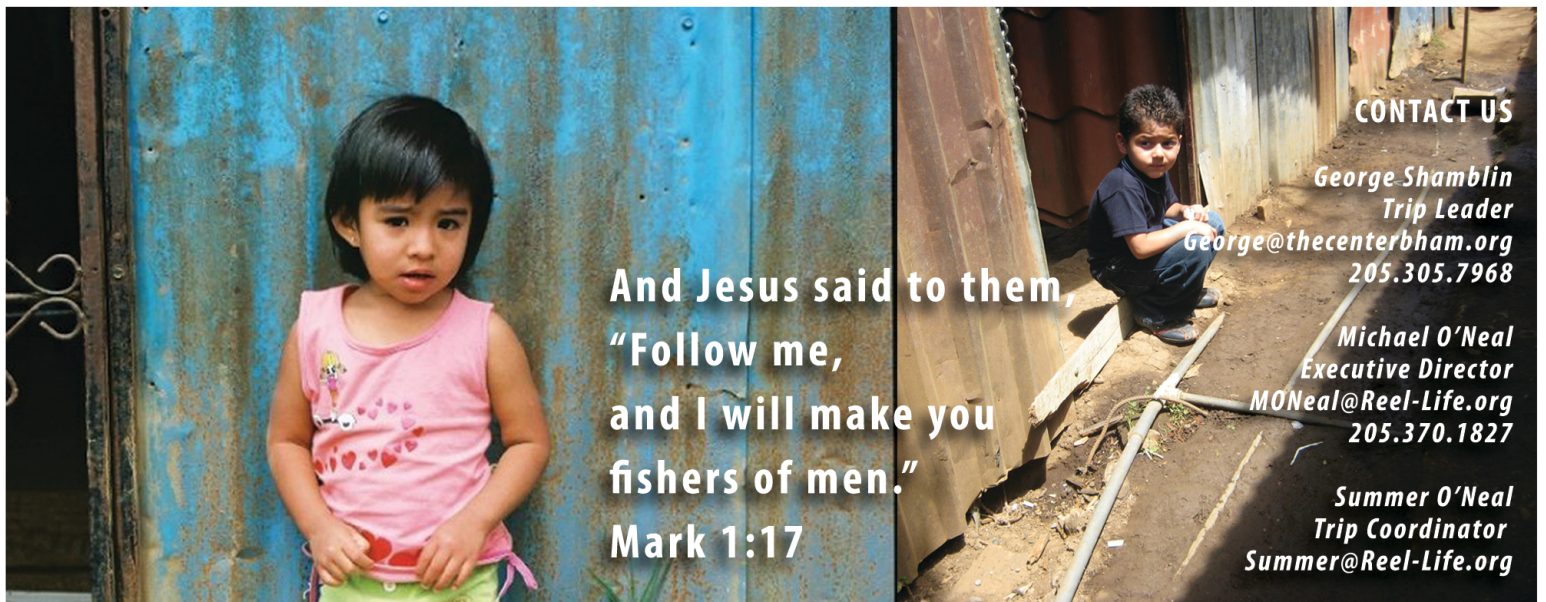

In September a group of 19 men from Birmingham will be going on a Missions Trip to Honduras. The team will be sharing the love of Christ at an orphanage named Forgotten Children's Ministry. The purpose of Forgotten Children Ministries (FCM) is to rescue children out of the most dire circumstances and show them the hope and love that only Jesus can offer.

Not only will the team be serving at FCM, but will also be evangelizing in nearby villages, providing rice and corn to those in need, ministering to abandoned street children, and will be involved in a service project as well.

All of these activities require additional funds, and our goal is to raise \$5000 from businesses as well as individuals to pay for the following:

- Clothing, gifts, and toys for the boys and girls at FCM
- Rice and corn for the food ministry in nearby villages
- Food and clothing for abandoned street children
- Materials for our service project

We would truly appreciate your consideration of supporting this great cause, and of course any donation is 100% tax deductible. Checks can be made out to Reel Life International and sent to: PO Box 661105, Birmingham, AL 35266 or visit Reel-Life.org/trip/Honduras-Sept-2015 to donate to this trip.

And Jesus said to them,
"Follow me,
and I will make you
fishers of men."
Mark 1:17
